PARARATON

The Book of Kings

The Pararaton is a Javanese historical chronicle containing the history of the kings of the Majapahit Empire. The book follows the incarnation of the founder of the Singhasari kingdom and the story of the founding King, Ken Arok's journey before his accession to the throne in 1222. This menu is a nostalgic trip into a dreamlike Balinese landscape. Inspired by the stories, characters, iconic locations, history and all the tales of the great empire.

Throughout the following menu you will find each page has cocktails placed in the order of: refreshing, adventurous and strong. Each cocktail is crafted to add additional layers to the story through flavours, spirits, and stories that are reminiscent of the Golden Age of Indonesian history.

With its imposing empire centred at Trowulan, Majapahit reached its dizzying height in the mid-14th century under the great leadership of King Hayam Wuruk and his prime minister, Gajah Mada cementing their names in history forever.
