SEGARAN DINNER A LA CARTE

Fusing together the Mediterranean and Asian diets, MediterrAsian food showcases the culinary journey through the east. Whether it's Greek, Japanese, Italian, Chinese, Provençal, Spanish, Indonesian or Thai food that you love, the MediterrAsian diet inspires a new way of life.

Not only has the MediterrAsian diet proven to immeasurably improve health and wellbeing, but it has also introduced our kitchen to a world of wonderful new tastes. That's why, for over a decade, we've been advocating for a shift away from restrictive diets and looking to Mediterranean and Asian populations for dietary and lifestyle inspiration—after all, these regions are home to some of the healthiest and longest-living people on earth.

Our chefs take pride in using the freshest, locally sourced ingredients and partnering with local farmers for top-quality produce. Our vibrant herb garden enhances our dishes with aromatic herbs, and most preparations are hand-crafted to reflect the skill and passion of our team. Additionally, our Indonesian dishes are authentically prepared by local chefs who masterfully balance taste, spices, and technique.
