AFTERNOON TEA

AFTERNOON TEA

Where Greek summer meets Omani warmth.

When the mercury rises, tradition melts into something new.

"ICED by Tarini" is a bold, refreshing take on afternoon tea, stripped of the usual courtesies and infused with the effortless cool of a Greek summer.

Inspired by the bustling cafes of Athens and the slow, golden hours by the Aegean, this summer tea experience is centred around Freddo, Greece's cult-favourite iced espresso, paired with light, chilled bites, and Tarini's signature ice creams and sorbets, crafted to cool, delight, and surprise.

Elegant, refreshing, and designed for the midday heat, ICED is not just a tea - it's a summer state of mind.
