### MIX AND MATCH!

All of our dishes can be eaten the traditional way with either sticks, hands or spoons! Which dish do you think goes with which method?

Simply stick your chopsticks in the holes and then move the top stick up and down to grab your yummy food....

### FILL IN THE BLANKS!

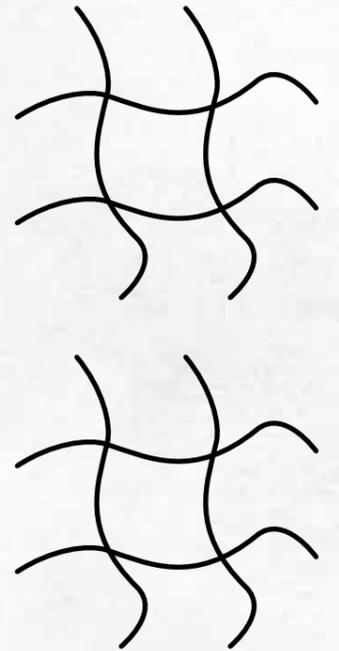

Our menu is inspired by street food from lots of different countries across Asia! By looking at the flags and filling in the blanks can you guess where?

**DID YOU KNOW?**  
Turtles eat lots of plants, small insects and even fish! Just like humans, protein is very important for turtles to grow! What yummy food are you going to eat today?

**DID YOU KNOW?**  
Turtles have been around for over 200 million years and can reach an age of up to 100. woah! That is even older than your mum and dad!
