

A stylized, flat-design illustration of a city skyline. The buildings are in various shades of orange, red, and brown, with some having blue window patterns. In the foreground, there are palm trees and a body of water. The background is a solid teal color with some green leaves visible on the left side.

# COCKTAILS

Our new cocktail menu is driven by the creativity of our bartenders and inspired by Beefbar destinations around the world.

Our cocktails are classic and timeless, but above all, they are truly surprising creations that reflect the Beefbar identity and are perfectly paired with our dishes, especially our wide selection of Street Food.

Our selection evolves with the seasons, and our syrups and infusions are prepared with great care at Beefbar.
