LOVING

EVERY FESTIVE MOMENT

The festive season is all about love. It is special because we come together with our favourite people in the world and do nothing but smile, laugh, hug and celebrate. It is the time of year to give thoughtful gifts, because a smile on a child's face means the world on boxing day. A roast is most delicious when it's carved by an uncle we've missed, and new beginnings are best signalled with a clink from a best friend's glass. This is Jumeirah's definition of festive...moments delivered with passion, to be experienced with love, during a very special time.
